

scale -1

The diagram consists of three vertically stacked rectangular panels. Each panel contains a handwritten digit '7' in purple. The top panel has a red border and a dark gray background; the digit is centered and its height is equal to the panel's height. The middle panel has a yellow border and a dark gray background; the digit is centered and its height is equal to the panel's height. The bottom panel has a green border and a white background; the digit is centered and its height is equal to the panel's height. The text 'scale -1', 'scale 0', and 'scale 0.5' is written in green in the top, middle, and bottom panels respectively.
